

<p>6. <b><u>Worship</u></b> Due to the fact that there were several absentees, this item will be discussed at our next meeting.</p> <p>7. <b><u>Fabric and Finance</u></b>  a) <b><u>Finance report and plans for increasing our income 2017</u></b>  As reported earlier we had a £10,000 deficit last year, and as stated in Hugh's report to the mini A.P.C.M. if everyone gave an additional £50 per year, we would cover the shortfall. Hugh will bring this matter to the attention of the congregation over the next couple of Sunday.</p> b) <b><u>Finance Team Review</u></b> <b><u>See Hugh's report</u></b> As there is always the possibility of money needed for future repairs to the church, it was suggested that a fund be set up for a Heating Allowance, perhaps towards a new boiler in approximately three years time. Dave Lodge commented that communication was important. c) <b><u>Update on building matters, church wall, AV screens and external lighting.</u></b> <b><u>See Hugh's report</u></b> AV screens – a new proposal has been received for the positioning of these screens, which is unacceptable. Discussions will continue <p>8. <b><u>School</u></b>  a) Appointment of new Foundation Governor  Val Lodge is stepping down from her role as a Foundation Governor, and a replacement is being sought.  <b><u>See Hugh's report</u></b>  Nothing further to report.</p> <p>9. <b><u>Child Protection and Vulnerable Adults.</u></b>  Andrea had sent a report, which I will attach to these Minutes. A Training session is to be held on Saturday morning 22<sup>nd</sup> April in the Children's Chapel.</p> <p><b><u>10.
